

# Senior Center's Solar Power Ribbon Cutting

**Come join us at the Ypsilanti Senior/Community Center on June 25<sup>th</sup> from 6:00 to 7:00pm to celebrate the latest solar installation in Ypsilanti. This 5kW system will offset the power consumption at the building and is a great demonstration of how solar can power the typical home in Ypsilanti.**

**The ribbon cutting will be followed by a short presentation on how the solar installation works and how it can work at your home, along with the economics of solar power. Solar experts will be on hand to answer all your questions.**

**Light refreshments will be served.**

**The Senior Center is located at 1015 N. Congress in Ypsilanti next to Recreation Park. Call Monica Prince at 734-483-5014 for more information.**
