OUR PLEDGE ::

OUR PLEDGE To You

At Ferndale Electric Company, Inc. (Ferndale Electric), our mission is to maintain our reputation as an industry leader by embracing the responsibilities of good corporate citizenship and by continuing our efforts to find the most efficient, innovative and cost-effective ways to support our customers. We are dedicated to providing the highest quality service at a competitive price.

In order to sustain Ferndale Electric's highly-skilled project management and field support teams, we are committed to educating both our employees and our customers in all aspects of industry advancements and state of the art installations.

By staying ahead of the constantly evolving industry, we have positioned ourselves to anticipate the long-range demands and expectations of our customers and to ensure that they will be fulfilled. We recognize that our reputation is built on maintaining high standards on every project, every day.
